PRICING TERMS:

1. All packages automatically renew at term expiration. CUSTOMER IS RESPONSIBLE FOR RENEWAL COMMITMENTS IF NOTIFICATION OF DEACTIVATION/DOWNGRADE/UPGRADE IS NOT RECEIVED BY STRATOS WITHIN FIVE (5) BUSINESS DAYS PRIOR TO RENEWAL DATE.
2. Background IP is billed per MB with a 50KB minimum and a 10KB increment. The minimum applies to each session call record.
3. Voice and streaming services are billed per minute with a 30 second minimum and 15 second increments.
4. All fees and allocations will be pro-rated upon activation.
5. There will be no pro-ration on deactivation or downgrading.
6. Deactivating or downgrading will result in penalties consisting of the remaining subscription commitment.
7. Downgrading is defined by any subsequent change to a package that reduces the priority number defined in the table above.
8. Upgrading is permitted without penalty, however, unused allowances are not carried into the upgrade plan.
9. Upgrading or Downgrading from one Package Plan to another takes effect immediately. However, upgrading or downgrading within a Package Plan will not take effect until the 1st of the following month.
10. Term commitments include the month of commencement as the first month of the term commitment.
11. Package allocations apply against Background IP and voice only.
12. Voice allocations will be decremented by voice to fixed, voice to cellular, voice to BGAN and voice to voicemail calls. Voice to other MSS services will result in a charge.
13. During a suspense period, contract subscription fees are due.
14. A SIM can only be on one plan at any one time.
15. SMS messages are limited to 160 characters. SMS charges apply to the number of intended recipients. The charge is multiplied by the number of addressed recipients not the successful recipients.
16. All orders and actions are recorded as GMT and Stratos requires five (5) business days notice to accommodate change requests.
17. Pricing subject to change upon thirty (30) days notice to customer.
